2002 Blackwood Reserve Cabernet Sauvignon

Our Blackwood Reserve Cabernet Sauvignon Is an impressive bold Aussie Red, with an intensely rich ruby colour and a strong nose full of berry and plum aromas which are becoming typical of the Cabernet grapes from our patch. The palate follows on with full bodied blackberry and plum finished by beautifully balanced tannins and classy oak finish. This wine is showing that it will age beautifully. This is our Triple Bronze medal wine. We received one from the Cowra Wine Show The next medal was from Qantas Mount Barker Wine Show of Western Australia. The third medal was from the Blackwood Valley Wine Show of Western Australia.

2004 Cabernet Sauvignon [Blue Label]

Another great Aussie Red, rich bold and beautiful. This wine has matured beautifully. The aroma of this wine is rich in blackberry and raspberry fruits with yeasty/bready overtones from extended lees contact adding complexity. The palate has generous raspberry and red cherry fruit with refreshing acidity and soft tannins which when combined deliver a wine with intensity and elegance, lighter in style with lovely length and a persistence of flavour on the finish. This is our third vintage and is showing up the particular characters of the wines from our patch. This is a great wine. Will cellar til about 2013. Silver at Perth Royal Wine Show twice and 89 from James Haliday & 92 from Ray Jordon.

2005 Cabernet Merlot

This wine is still very young as can be seen from the colour, a rich clear purple and the aromas are still fresh and fruity with berry and plum first and the palate is so typical of the rich fruit cake flavours. The joint Oak is apparent in the finish of the wine. Will mellow quickly and should cellar for 7/10 years. ENJOY

2005 Blackwood Merlot

This is our other new wine and a superb wine it is shaping up to be. A delightful Purple colour and the aroma reminds you of a handful of Mulberries with a hint of spices and berries on the palate. The subtle blend of both American and French oak. The flavours have yet to finish developing but shows great promise of the beautiful wine it will be. Silver Medal at Small Winemakers Show Stanthorpe Qld.

2006 KingTin Cabernet Sauvignon

With a colour that is truly a rich purple red of a new cabernet this is showing beautiful promise. Aromas Plum and ripe Berries are complemented by hints of Vanillin Oak. The palate is medium bodied has bright fruits, with delicious blackcurrant and plum with a generous mid palate finishing off with beautifully balanced tannins and a subtle blend of oak. Cellaring 10 years. Yet to make it to the Show circuit. Another of our beautiful Aussie Reds designed for enjoying at the end of a working day, preferably sitting on the verandah with your best mate or mates.

2007 Classic White

This is a superb Semillon Sauvignon Blanc blend. Beautiful pale golden colour, with aromas of lifted zest of passionfruit and lime with hints of kiwi fruit. Fresh and flavoursome, tropical fruits are evident on the palate, with hints of gooseberry and citrus, with a textural finish and clean acidity. The style is all about freshness and vitality. This is a perfect wine to enjoy chilled during a relaxing afternoon or any other time that suits your fancy, enjoy!

2007 WR Pink Monet Rosé

Our new Rose is slightly darker in colour and this little pinky is delightfully sweet, beautiful Strawberry flavours and worthy of your appreciation. The palate is full of the beaut berry flavours and is balanced by the fresh acidic finish that ties the wine together with perfect balance. Absolutely delicious chilled on a summers day.
